To the parents and athletes at St. Joe's Prep

On behalf St. Joe's Prep Athletic Trainer, Abbey Myles, I would like to take this opportunity to introduce you to Sport Guard International's (SGI) Gladiator[®] custom mouthguard. A custom mouthguard is the best possible protection available for an athlete. It is "1,000% more protective than any other type" as stated by The Academy for Sports Dentistry. For years, SGI has been making custom mouthguards for dentists. Now with our Gladiator[®] Impression System SGI can offer custom guards directly to the athletes. At SGI our goal is to see every athlete has the opportunity to have the best available protection in the most convenient manner at the lowest price. SGI is proud to state we have been working with "The Prep" and their athletes since 2004.

It may be of special interest to you to know I began SGI after my son suffered a concussion while playing ice hockey 9 years ago. My first and continued commitment is to the young athletes. The development of a protective piece of equipment that young athletes can wear with comfort and enjoy was a difficult task. In addition to educate both the parents and athletes on the affordable CHOICES and the simple fact, there is something better than a boil and bite mouthguard, has become my primary objective.

The Gladiator[®] is a form fitted, heat and pressure laminated mouthguard that is fitted precisely to the athlete's teeth offering better protection against oral injury and even concussion. The Gladiator[®] features the innovative Free Flow[™] system which enhances athletic performance with easier breathing and clearer speech.

St. Joe's Prep has worked with SGI to establish a 10% school discount and the 13.00 shipping cost per guard has been waived for all athletes who order their mouthguard through the school. SGI also offers 50% off all new or replacement orders when we use the model of your athlete kept at our facility.

SGI hopes your athlete will enjoy years of safe sports. If you should have any questions please do not hesitate to contact SGI or visit our web site www.customguards.com

Once again, thank you for your interest in Sport Guard International's Gladiator[®], custom mouthguard. I will look forward to working with you soon.

Sincerely,
Bobbie Quinn
Principal, CFO
